

Articulation Agreement
between
Hudson Valley Community College, Early Childhood, A.A.S.
and
The Sage Colleges, Esteves' School of Education, Childhood Education, B.S.

Objective

This articulation agreement is intended to facilitate the transfer of qualified students currently enrolled in the A.A.S. Early Childhood program at Hudson Valley Community College into the B.S. Childhood Education (1 – 6) at The Sage Colleges. Counselors at Hudson Valley Community College can use the information in this agreement to advise current and future students as they express an interest in the Early Childhood program as to which HVCC courses should be taken prior to application for transfer.

Terms of Agreement

This articulation agreement, once signed will be in effect immediately, and must be reviewed and re-approved in the same manner at least once every two years, here after in order to remain in effect.

The procedures of review and re-approval shall be as follows:

Chair of the Department of Professional Education Programs reviews the latest available catalogs of the two institutions and the Chair of the Department of Professional Education Programs prepares the revised draft.

A final draft is signed by the department chairs of both institutions and by the appropriate administrator at both institutions.

All of the most-recently published rules for accepting transfer students into programs of The Sage Colleges apply. This agreement supplements, but does not supersede or replace, what was written in the most current undergraduate catalog (SCA or RSC).

The Sage Colleges agrees to accept and transfer into the B.S. program up to 66 credit hours by the student at HVCC, who takes the courses listed below. Only courses of earned grades of C- or better will transfer, and the students who attain a combined Grade Point Average (GPA) of 3.0 or higher will automatically be admitted into the program. This agreement covers courses taken at Hudson Valley Community College only. If students from HVCC have credits on their transcripts from other institutions, the published Sage Colleges rules for accepting transfer credit will apply to those credits. If students from HVCC wish to transfer without having completed all of the courses in this agreement, they are assured that the identified equivalent courses with a grade of C- or better will transfer, but outright admission into the program will not be guaranteed. If admitted, junior status at The Sage Colleges will be attained, if 54 or more of the credits are transferred. All transfer students must meet with a Childhood Education advisor to plan their courses and to determine how many semesters are required for degree completion.

HVCC Students interested in transferring to the Sage Colleges should contact Transfer Admissions at The Sage Colleges to receive advising on the transfer process as soon as possible during their time at the community college. Keeping an open line of communication is important throughout the process to make the most of the student's time at the community college.

Transfer students who meet institutional requirements, but not Departmental, can be accepted into the College, and be placed in Academic Exploration. They may take first year EDU and content courses, but will need to be admitted in the Childhood Education program to take more advanced courses. The program coordinator or department chair may grant approval to take higher-level courses at his/her discretion.

Academic Exploration is limited to 12 credit hours and a student must have a minimum of a 3.0 overall GPA to be admitted to the Childhood Education program.

*American Sign Language is recommended for Foreign Language

**For a complete list of recommended courses, please reference the program of study for HVCC/Sage transfer.

#Fieldwork should be part of the course requirements, but is built in to course at Sage.
